NAS AGM and public lecture

Thursday, 6 November

The NAS Annual General Meeting will be held in the Humfrey Rooms of the Northamptonshire Natural History Society:

**10 Castilian Terrace
Northampton NN1 1LD**

There will be tea/coffee and biscuits from 6.30pm, with the NAS AGM at 7pm:

Officers' reports

Statement of accounts

Election of members of council

The public lecture will start at c.7.20 pm, and will be a joint meeting with the Northampton Branch of the Historical Association.

Please note the journal will not be available for collection at the AGM, we are aiming for a spring production.

John Williams

Reflections on Medieval Northampton

John Williams was head of the Archaeological Unit of the Northampton Development Corporation through the 1970s to the mid-1980s. He led excavations at St Peter's Street and the 'Palaces' site, which demonstrated that the origins of the town lay in the middle Saxon period. The results of his recent documentary research, 'Town and Crown: The Governance of Later Thirteenth Century Northampton', will shortly be published by the Northamptonshire Record Society.

NAS COMMITTEE

Anyone wishing to join the committee to help keep the Society running, and who can bring in new energy and fresh ideas, please step forward.

New candidates should notify the Secretary in advance, together with the names of two members to nominate and second their application (or they can be nominated on the night).

Elected by the committee:

Chair: Steven Hollowell

Vice-chair: David Waller

Standing for re-election to the committee:

Secretary and journal editor
Andy Chapman

Membership secretary
Pat Chapman

Treasurer
Carol Holmes

Other committee members:

Graham Cadman, Brian Giggins and Roy Friendship-Taylor.

NAS TREASURER

In the absence of a willing volunteer, Ian Barrie has continued to serve the Society as Treasurer for several years after he first asked the committee to seek a replacement, and yet again the committee would like to extend their thanks to Ian and his wife for their services to the society, and for supplies of tea and biscuits at committee meetings.

However, we have now finally found a willing replacement in Carol Holmes (née Simmonds), a Project Officer with MOLA Northampton, who has been working and living in the area for many years.

SUBSCRIPTION REMINDER

A reminder for those who do not pay by direct debit that subscriptions were due in September, apart from those who joined from this summer onward. We have also finally made some small increase to the subscription rate, and would ask all those paying by Direct Debit to adjust the amount owing accordingly.

£12 individual membership,
£15 family membership, £10 students
£10 local associations, £25 institutions

Cheques payable to Northamptonshire Archaeological Society: to Pat Chapman, NAS Membership Secretary, 4 Oat Hill Drive. Northampton, NN3 5AL.

NAS 40th anniversary celebration

**Saturday, 20 September and
Sunday, 21 September 2014**

**Sywell Country Park
Ancient Crafts weekend**

To mark the 40th anniversary of NAS we held an Ancient Crafts weekend at Sywell Country Park for NAS members and the public. It was disappointing that more members and others (such as MOLA Northampton staff) did not take up the opportunity to get involved in the workshop sessions. But the NAS committee enjoyed testing their skills at pottery manufacturing and flint knapping, with varying degrees of success (see photographs). Saturday was quiet but Sunday saw a constant stream of visitors, so the event was a success from that point of view.

We would like to thank the group of re-enactors who made the weekend such a success: Graham Taylor: Potted History, James Dilley: flint knapping, Alex and Paul Thompson: Guardrobe and Michael Brown: The Historic Gardener.

Potential spring meeting

If there is anyone interested in visiting a coppiced woodland, let me know so I can gauge potential interest.

In Northampton there is a long running exhibition on Northampton Castle at Hazelrigg House, but note that it is only open Friday to Sunday. I have not seen it yet, but I have provided some images and finds from the excavations in the outer bailey, the station car park, by MOLA Northampton in 2013. There is also a reconstructed shellyware cooking pot of the 12th century from the castle excavations currently on display in the museum entrance lobby. And the museum will also host an evening of lectures on the theme of medieval Northampton, on Thursday, 13 November, booking essential.
